

**Welcome to the world's most secured & audited decentralized community support fund on TRON blockchain.**

A DeFi support model built on smart contract technology,  
by the people, for the people

It is the most transparent, p2p, decentralized support system in the world.

**A smart contract is a self-executing contract that has a programmed protocol to follow and is deployed on the public blockchain, a smart contract can store value and execute transfers when the requirements of the contract have been met.**

**It has the characteristics of being immutable, tamper-proof, scam proof, fair, just and fully transparent.**

**It acts strictly according to the pre-written rules of the contract, nothing less nothing more, it is 100% decentralized meaning that there's no central point such as a company or authority in control of the contract. It can not be stopped, it can not be shut down and you can not be banned from the program**

**There are no limits to what a smart contract algorithm can do, the smart contract is there to simply perform the action it has been programmed to do when the contract requirements have been met, without the need of a third party or human intervention.**

The UnionTron smart contract has been designed to provide everyone with a DeFi support fund, fully based on the TRON blockchain and smart contract technology.

Any participant can contribute TRX towards the community fund and support the UnionTron community members, by doing so the contract code will be activated and the supporter will start to receive support back from the community members themselves.

**UnionTron is 100% decentralized and a community-based project.**

Meaning there are no guarantee or additional profits generated in this project. All that you receive from UnionTron is received from other community members as this is a P2P support model.

You support others and others support you.

**UnionTron can be viewed as a decentralized “third party” which insures fairness, transparency and justice for all according to the algorithm code.**

There are no mediators or intermediaries, no owners, no company or human interaction, effectively guaranteeing the fairness of all participating partners and partners funds according to the rules of the Smart Contract.

By depositing TRX to the UnionTron community fund you will activate the contract code and 24 hours after you will receive the first 1% daily return.

You will receive this until 310% of your deposit has been received as support from the community.

**The 310% support is received in 4 different ways (1 passive and 3 via marketing)**

When the 310% support is received through any of the 4 ways, a new deposit must be made equal or greater to activate a new 310% limit and continue receiving from the fund.

- 1% daily return on your deposit (maximum 310 days) 100% Passive to all community members.
- 12% Direct referral commission for sharing and growing the community and its fund.
- Matching Commission on partner's daily 1%
- Daily Top sponsor 3% of ALL deposits to UnionTron.

**1% of the amount given as support to the community fund will be given back daily to all users by the system algorithm up to point when the maximum INCOME limit of 310% is received.**

**Suppose that you support the fund with 1000 TRX;**

**You can now receive 3100 TRX back – every 24 hours you will receive 10 TRX until 310 days, or until you have received the maximum 310 through any of the other 4 ways. Whichever is reached first.**

## Direct Commission

Awarded to the sponsor when a direct partner makes a deposit: first deposit and re-deposits.

**12% of the deposited amount goes to sponsor.**

(i.e. direct partner deposits 1000 TRX, you receive 120 TRX as instant commission).

There are NO LIMITS to how many Direct Partners you can have.

**\*All Commissions apply toward the 3.1x limit.**

# Matching Commission

\*The matching commission is based upon your partners 1% daily return

The matching is awarded every time a downline partner makes a withdrawal of this 1% daily return.

\*The levels of matching you receive on is based upon how many direct partners you personally sponsored

One level added for each direct referral.

**\*All Commissions apply toward the 3.1x limit.**

Directs	Generation	Matching
1st Direct	1	30%
2nd Directs	2	25%
3rd Directs	3	20%
4th Directs	4	15%
5th Directs	5	10%
